**Activity Information**

**Activity Description**
This webinar discussed palliative and hospice care services and the delivery of these services to participants with disabilities. Our discussion addressed advanced care planning and strategies for empowering participants and their providers to initiate these discussions. Care Oregon presented their palliative and hospice care programs, including staff and provider training that highlighted how to support participants during this stage of their lives.

**Target Audience**
This activity is designed for all health care professionals.

**Learning Objectives**
By the end of this activity, participants should be able to:

- Identify the fundamentals of providing palliative care and hospice care, including what differentiates the two
- Recognize historical background to understand palliative and hospice care fears within the disability community
- Recognize techniques for discussing palliative care options with participants and their family

**Participation**
Watch the recorded webinar linked to in the *Activity Description* section of this document, and access and complete the assessment and evaluation, per the *Instructions for Continuing Education Credit*, at the end of this document.

**Speaker Bios & Disclosures (alphabetical by last name)**
All planners and developers of this activity have signed a disclosure statement indicating any relevant financial interests. This activity was developed without commercial support.

**Chris Duff, MDiv, BS, presenter**, directed a rehabilitation facility for persons with disabilities, and developed numerous community-based programs to support independent living from 1978 through 1998. Mr. Duff subsequently founded and served as President and CEO of AXIS Healthcare in 1998, a care management organization that partnered with UCare Minnesota to develop and deliver the Minnesota Disability Health Options program, from 2001 through 2009. This partnership established one of the first demonstration programs in the country servicing adults with disabilities on Medicare and/or Medicaid. He established and led the Disability Practice Institute, sponsored by the Commonwealth Care Alliance of Massachusetts and Independence Care System of New York in 2010. Mr. Duff has worked as a Consultant for the Lewin Group, under their contract with the Medicare and Medicaid Coordination Office (MMCO) since 2011.
Mr. Duff has worked in the field of rehabilitation with persons with disabilities for more than 40 years. He began his career as a Licensed Independent Clinical Social Worker and developed and managed several new home and community-based waiver programs in Minnesota. He has served in numerous professional capacities in the areas of program development, care management, risk adjustment, and advocacy.

Mr. Duff earned a Master of Divinity degree from the United Theological Seminary and a Bachelor of Science degree in Management from the University of Minnesota.

Mr. Duff has disclosed that he is a Consultant for The Lewin Group.

Kelly Ambrose, BSN, RN, CHPN, presenter, has been employed by Housecall Providers, a home-based primary care practice and hospice, for three years. She was initially hired as a Palliative Care Nurse. After the merger with CareOregon, Ms. Ambrose became the Manager of the Advanced Illness Care Program. Ms. Ambrose has 15 years of community nursing experience working with vulnerable populations. Her work in community mental health as a Nurse Care Manager in a Federally Qualified Health Center (FQHC) and work as a Field-Based Palliative Care Nurse helped prepare her for managing a palliative care program for Medicaid members insured by CareOregon. Ms. Ambrose currently manages an interdisciplinary team of nurses, social workers, community health workers, and a chaplain. She frequently attends local, state, and national palliative care meetings and has been invited to speak to caregiver and healthcare groups on the topic of caregiver burnout.

Ms. Ambrose earned a Bachelor of Science degree in Nursing from Linfield College.

Ms. Ambrose has nothing to disclose.

Will Kennedy, DO, presenter, has been employed by CareOregon since 2013, and currently serves as Medical Director for Population Health Partnerships. He also serves as Senior Medical Director for Clinical Operations for Housecall Providers, a nonprofit that partners with CareOregon, to provide in-home care throughout the Portland Oregon metro area. Dr. Kennedy completed a Fellowship in Hospice and Palliative Medicine at the Mount Carmel Health System. Following his fellowship, he developed Mount Carmel’s first provider-based program for patients with advanced illness. Prior to joining CareOregon, Dr. Kennedy served as Medical Director for Hospice and Palliative Medicine Programs at Adventist Health.

Dr. Kennedy earned a Doctor of Osteopathic Medicine degree from Ohio University.

Dr. Kennedy has nothing to disclose.

Caroline Loeser, BS, developer/planner, is a Research Consultant at the Lewin Group. Ms. Loeser brings expertise related to technical assistance, program support, and developing products for providers serving individuals with severe mental illness and substance abuse. At Lewin, Ms. Loeser supports several Federal contracts with the Centers for Medicare & Medicaid Services (CMS). Her current work focuses on providing technical assistance and performing qualitative data analysis for the Health Care Innovation Awards Round Two (HCIA2). In addition, Ms. Loeser supports Lewin in engaging subject matter experts and key informants to shape products, resources, and tools for providers who serve Medicare-Medicaid enrollees.
Ms. Loeser earned a Bachelor of Science degree in Public Health and Tropical Medicine from Tulane University.

Ms. Loeser has nothing to disclose.

Judi Lund Person, MPH, presenter, has been the Vice President, Regulatory and Compliance for the National Hospice and Palliative Care Organization (NHPCO) since July 2002. Prior to coming to NHPCO, she served for 22 years as the President and Chief Executive Officer (CEO) of the Carolinas Center for Hospice and End of Life Care. Ms. Lund Person, is a recognized national leader in the field of hospice, palliative, and end of life care. She works with hospice providers on regulatory and compliance issues, strategic planning, audits, and fraud and abuse in hospice. Ms. Lund Person spearheaded the creation and launch of NHPCO’s Quality Partners, a national initiative designed to build organizational excellence and improve hospice and palliative care delivery and outcomes. She lends her regulatory expertise as a key contact with the Centers for Medicare & Medicaid Services (CMS), the U.S. Food and Drug Administration (FDA), Drug Enforcement Administration (DEA), and many other Federal agencies. She also represents hospice and palliative care with many national organizations, including the National Consensus Project for Quality Palliative Care (NCHPC).

Ms. Lund Person earned a Master of Public Health degree in Health Policy and Administration from the University of North Carolina at Chapel Hill.

Ms. Lund Person has nothing to disclose.
