Instructions for Continuing Education Credit

The Medicare Learning Network® (MLN) recently upgraded its Learning Management System (LMS).

If you were already registered in the former MLN Learning Management System (LMS), you do not need to create a new login or password. However, the appearance of the system and instructions for registering, logging-in, accessing courses, and obtaining certificate information have all changed.

For more information on the new LMS, please visit <https://www.cms.gov/Outreach-and-Education/Medicare-Learning-Network-MLN/MLNProducts/Downloads/LMPOS-FAQs-Booklet-ICN909182.pdf>.

Learning Management System (LMS) Instructions

In order to receive continuing education credit for this enduring activity, you must pass the session post-assessment and complete the evaluation. The continuing education post-assessments and evaluations are being administered through the Medicare Learning Network®.

The post-assessment will be available on the Medicare Learning Network® (MLN) Learning Management System (LMS). Participants will need to login or register, to access the post-assessment.

Registering To Take a Post-Assessment

If you have previously taken Medicare Learning Network® (MLN) web-based training (WBT) courses, you may use the login ID and password you created for those courses. If you are a new user, you will need to register.

To register (if you do NOT have an account):

1. Go to the LMS Homepage <https://learner.mlnlms.com>
2. Click on "Create Account"
3. Enter information for all the required fields (with the red asterisks) and click "Create"

***NOTE:** When you get to the 'Organization' field, click on Select. From the 'Select Organizations' screen, leave the 'Find Organization' field blank and click Search. Select 'CMS-MLN Learners Domain - Organization' and click Save.

Please add MLN@cms.hhs.gov to your address book to prevent MLN communication from going into your spam folder.

To login (if you already have an account):

1. Go to the LMS Homepage <https://learner.mlnlms.com>
2. Enter your login ID and password and click on "Log In"

Finding the Post-Assessment:

1. Go to the LMS Homepage <https://learner.mlnlms.com>
2. Enter your login ID and password and click on "Log In"
3. Click on "Training Catalog" in the menu beneath the MLN logo
4. Enter "**Disability-Competent Care Coordination**" in the "search for" box and click "search"
5. Click on the title
6. Click "Enroll"
7. Click "Access Item"
8. Scroll down on the page and click on the link titled "Post-Assessment"
9. Click "Open Item"
10. A new window will open. Click "Post-Assessment" in this new window for it to display
11. Complete the assessment and click "close"
12. Click the grey and white "x" in the upper right-hand corner to close the window
13. Click "OK" when prompted about closing the window

Accessing Your Transcript and Certificate

To complete the course and get your certificate, you must complete the course evaluation.

[Please click here for instructions for completing the evaluation and accessing your transcript and certificate.](#)

Help

For questions regarding the content of this activity, or technical assistance with the Medicare Learning Network® (MLN) Learning Management System (LMS), your assessment, or certificate, contact CMSCE at CMSCE@cms.hhs.gov via email.

Activity Information

Activity Description

This webinar explores the provision of care coordination across an interdisciplinary care team (IDT). Attendees will learn about the composition and function of the IDT. Additionally this webinar will explore the care process by examining all stages from assessment through implementation of the plan of care. Attendees will also learn about medication management, care transitions, and advanced directives concepts.

Please click below to access the webinar:

https://www.resourcesforintegratedcare.com/DisabilityCompetentCare/2017_DCC_Webinar_Series/Care_Coordination.

Target Audience

This activity is designed for all health care professionals.

Learning Objectives

By the end of this activity, participants should be able to:

- Recognize the various that define the implementation, management, and oversight of the individualized care plan
- Identify the components of the an interdisciplinary care team (IDT)
- Identify the critical areas of care coordination for participants with disabilities

Participation

Watch the recorded webinar linked to in the *Activity Description* section of this document, and access and complete the assessment and evaluation, per the *Instructions for Continuing Education Credit*, at the beginning of this document.

Speaker Bios & Disclosures (alphabetical by last name)

All planners and developers of this activity have signed a disclosure statement indicating any relevant financial interests. This activity was developed without commercial support.

Chris Duff, MDiv, BS, presenter, directed a rehabilitation facility for persons with disabilities, and developed numerous community-based programs to support independent living from 1978 through 1998. Mr. Duff subsequently founded and served as President and CEO of AXIS Healthcare in 1998, a care management organization that partnered with UCare Minnesota to develop and deliver the Minnesota Disability Health Options program, from 2001 through 2009. This partnership established one of the first demonstration programs in the country servicing adults with disabilities on Medicare and/or Medicaid. He established and led the Disability Practice Institute, sponsored by the Commonwealth Care Alliance of Massachusetts and Independence Care System of New York in 2010. Mr. Duff has worked as a Consultant for the Lewin Group, under their contract with the Medicare and Medicaid Coordination Office (MMCO) since 2011.

Mr. Duff has worked in the field of rehabilitation with persons with disabilities for more than 40 years. He began his career as a Licensed Independent Clinical Social Worker and developed and managed several new home and community-based waiver programs in Minnesota. He

has served in numerous professional capacities in the areas of program development, care management, risk adjustment, and advocacy.

Mr. Duff earned a Masters of Divinity degree from the United Theological Seminary and a Bachelor of Science degree in Management from the University of Minnesota.

Mr. Duff has disclosed that he is a Consultant for The Lewin Group.

Caroline Loeser, BS, developer/planner, is a Research Consultant at the Lewin Group. Ms. Loeser brings expertise related to technical assistance, program support, and developing products for providers serving individuals with severe mental illness and substance abuse. At Lewin, Ms. Loeser supports several Federal contracts with the Centers for Medicare & Medicaid Services (CMS). Her current work focuses on providing technical assistance and performing qualitative data analysis for the Health Care Innovation Awards Round Two (HCIA2). In addition, Ms. Loeser supports Lewin with engaging subject matter experts and key informants to shape products, resources, and tools for providers who serve Medicare-Medicaid enrollees.

Ms. Loeser earned a Bachelor of Science degree in Public Health and Tropical Medicine from Tulane University.

Ms. Loeser has nothing to disclose.

Rachael Stacom, MS, ANP-BC, RN, presenter, is an Board Certified Adult Nurse Practitioner (ANP-BC) and a Multiple Sclerosis Certified Nurse (MSCN). She is also the recipient of a John Dystel Nursing Fellowship sponsored by the National Multiple Sclerosis Society (NMSS). Ms. Stacom created the Independence Care System (ICS) Multiple Sclerosis Program in 2007, which is recognized by the NMSS as a Center for the Promotion of Excellence in Long-term Care. She serves on the Federal Activism Council and Long-term Care Committee for the National NMSS and on the Clinical Advisory Board and Governmental Relations Committee for the New York City - Southern New York Chapter of NMSS. Ms. Stacom is also a Co-author of "The Dynamic Multiple Sclerosis Nurse: Challenges, Expanding Role, and Future Directions" article published by the NMSS New York City - Southern New York Chapter.

Ms. Stacom earned a Master of Science degree in Nurse Practitioner Studies from the City University of New York Hunter College.

Ms. Stacom has nothing to disclose.
